

St Luke's Church, Brislington, wishes you a very happy Christmas

With our hopes and prayers that next year will be easier than this year!

As Christian people we aim to live in hope, and in love, and so we are looking forward to celebrating the birth of Jesus Christ in different ways as we are able. We invite you to join with us in any way that you can.

In keeping with the rest of our community, we are doing all we can to keep people safe, and consequently our plans for Christmas are being tailored to celebrating whenever we can, but mostly in home based content available online on our website.

We will be holding services at 10am as usual, (though we are not allowed to sing) and these services will be focused on the ancient season of Advent (and not Christmas) till Christmas comes.

These services will take place:

Sunday morning 10am throughout December except for 27th

Christmas morning 10 am

These services will take place online only:

Christingle, Carols by Candlelight.

These services will not be able to take place at all

Midnight communion, Crib
